COLUMBUS YOUTH JAZZ LAB in Schools!

Better
Together

JAG's Columbus Youth Jazz Lab in Schools program brings professional musicians into middle school jazz bands to sit side-by-side with the students, teaching them the fundamentals of jazz. Students grow as performers as they develop the courage to take solos, be creative, and express themselves in ways they never imagined.

We need your help to raise \$7000 this year through the Columbus Foundation's Giving Store. With your help, we will reach seven middle school classrooms in Columbus City Schools.
