Columbus Youth Jazz Workshop (CYJW) is a jazz ensemble experience for students in middle through high school. Founded in 2016 to accommodate a high number of talented new students, the CYJW is designed for a flexible number of instrumentalists and a wider range of jazz repertoire to suit the needs of this adjustable configuration. Led by Zach Compston (Jazz Arts Group Director of Education and Community Engagement), the CYJW provides in-depth instruction in improvisation and jazz style, important jazz artists and recordings.

Columbus Youth Jazz Ensemble (CYJE) is a large jazz ensemble experience for students in middle through high school. Led by trombonist Jessica Sneeringer, the CYJE provides students the opportunity to explore their individual skills within a supportive and relaxed ensemble environment, with a concentration on exploring jazz styles, standard repertoire and beginning improvisation. The band brings together students from a variety of backgrounds and skill levels to create a fun and motivating big band experience.
